About Reefer Poker:

Reefer Poker is the latest addition to the Merge Gaming Network, as well as a new addition to Gaming Commission. ReeferPoker.com has been granted a gaming license by the Kahnawake Gaming Commission, a world leading gaming regulatory organisation based in Canada.

The Merge Gaming Network offers a world class digital gaming platform built from the ground up by a team with years of experience operating many of the traditional software provider offerings.

Banking

Best Deposits & Withdrawals Options

ReeferPoker.com recommends Neteller & Click2Pay as secure transaction options. As an incentive to use Neteller & Click2Pay we offer instant withdrawals to approved account holders.

Credit card fraud is a growing problem facing internet commerce. Here at ReeferPoker.com we go to great lengths to ensure that our players enjoy a safe and fraud free playing environment at all times. Nobody would like having their credit card fraudulently used online, nor would most players like to play against a fraudulent player using illegally obtained funds.

Reefer Poker Accepts:

1. - Credit card (Visa, Mastercard, Prepaid Visa)
2. - eChecks and Instant checks
3. - Bank Wire
4. - Prepaid VisaCards
5. - Fonelix
6. - Moneybookers
7. - Neteller

Security and Protection

ReeferPoker.com deposits are processed using 128 bit data encryption to ensure the highest level of privacy and confidentiality of your personal data and financial information both to and from the online poker software and website. All financial and personal data is stored on secure servers and only ReeferPoker.com management staff have access to financial information.

Our dedicated player support website, has been issued a Thawte SSL certificate and trusted site seal to ensure our players that their personal information is protected and that our website is validated so they may transact safely and securely. Authentic Sites use Thawte SSL certificates to offer secure communications by encrypting all data to and from the site.
